SAFETY OVERSHOES
SPECIALIST

ANTI SLIP & SAFETY

A range of anti-slip certified overshoes*

* Until 340% beyond the SRC standard

PRODUCT HIGHLIGHTS

- + Walking **comfort**
- + Resistant to external aggressions : **temperature, oil, hydrocarbon**
- + **Hygiene** : the user keeps his own shoes
- + **Long lifetime**, wear resistant
- + **Easy maintenance**

Easy Grip

- ▶ Outstanding grip coefficient (SRC)

- ▶ Fits perfectly to the foot thanks to its stretch structure

- ▶ **Use:** catering, food industry, pharmaceutical industry, other risky areas and slippery floors
- ▶ 4 sizes are enough to cover all shoe sizes
Color code to identify sizes*

CE Certified - PPE RISK II - EN ISO 20347 : 2011
 ▶ Slip resistance - SRC (EN ISO 13287)
 ▶ Fuel Oil and abrasion resistance
 American standards (ASTM)

Total Protect

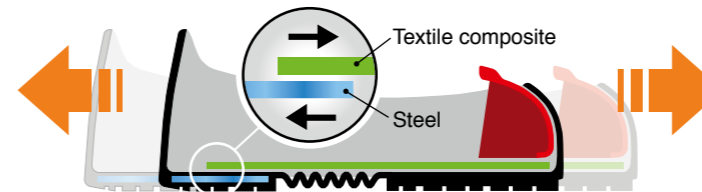

- ▶ Ultra-light toe cap made of aluminium/titanium alloy
- ▶ Outstanding grip coefficient (SRC)
- ▶ Fits perfectly to the foot thanks to its stretch structure
- ▶ 4 sizes are enough to cover all shoe sizes*
- ▶ **Use:** catering, food industry, handling, industrial surfaces, pharmaceutical industry, other risky areas and slippery floors.

Total Protect Plus

- ▶ Anti-puncture mixed system composed of steel and textile that allows an extension of the sole

- ▶ Ultra-light toe cap made of aluminium/titanium alloy
- ▶ Outstanding grip coefficient (SRC)
- ▶ Fits perfectly to the foot thanks to its stretch structure
- ▶ 4 sizes are enough to cover all shoe sizes*
- ▶ **Use:** catering, food industry, handling, industrial surfaces, pharmaceutical industry, other risky areas and slippery floors.

* 4 sizes are enough to cover all shoe sizes :

	S				M				L				XL

CE Certified - PPE RISK II
 EN ISO 20345 : 2011
 ▶ Slip resistance - SRC (EN ISO 13287)
 ▶ Fuel Oil and abrasion resistance
 ▶ Crushing resistance (EN ISO 12568)
 for Total Protect and Total Protect Plus
 Puncture resistance of the sole
 (EN ISO 12568) for Total Protect Plus
 American standards (ASTM)

OCCASIONAL SAFETY

A range of certified Safety Overshoes

PRODUCT HIGHLIGHTS

- + Walking **comfort**
- + **Hygiene** : the user keeps his own shoes
- + **Long lifetime**, wear resistant
- + **Easy maintenance**

Visitor

- ▶ Ultra-light toe cap made of aluminium/titanium alloy

- ▶ Extreme ease of use, quick to put on

- ▶ Can be adapted to all kind of footwear thanks to its velcro-comfort strap
- ▶ Its sole benefits from Tiger Grip® non slip technology
- ▶ 3 sizes are enough to cover all shoe sizes :

	S			M					XL						
UE Sizes	34	35	36	37	38	39	40	41	42	43	44	45	46	47	48+

US Woman	4	5	6	7	7,5	8	8,5	9,5	10	11					
US Man					5,5	6,25	7	7,75	8,5	9,5	10	10,75	11,5	12,3	13+

- CE Certified - PPE RISK II - EN ISO 20345 : 2011
- ▶ **Crushing** resistance (EN ISO 12568)
- ▶ **Fuel Oil** and **abrasion** resistance
- ▶ **Slip** resistance - SRC (EN ISO 13287) for **Premium** and **Intégral**
- ▶ **Puncture** resistance of the sole (EN ISO 12568) for **Intégral**
- American standards (ASTM)

Visitor Premium

- ▶ Outstanding grip coefficient (SRC)
- ▶ Ultra-light toe cap made of aluminium/titanium alloy
- ▶ Secure hold of the foot thanks to the multidirectional strap
- ▶ Ultra light product
- ▶ 4 sizes are enough to cover all shoe sizes*

Visitor Intégral

- ▶ Antipuncture sole achieved with composite textile
- ▶ Robustness of the sole for an outdoor use
- ▶ Outstanding grip coefficient (SRC)
- ▶ Ultra-light toe cap made of aluminium/titanium alloy
- ▶ Secure hold of the foot thanks to the multidirectional strap
- ▶ 4 sizes are enough to cover all shoe sizes*

- ▶ 4 sizes are enough to cover all shoe sizes :

	S				M				L				XL	
UE Sizes	34	35	36	37	38	39	40	41	42	43	44	45	46	47

TIGER GRIP is a French engineering company that designs and develops a range of professional safety overshoes.

All our products are dedicated to answer your specific needs and are divided into 3 ranges:

- ▶ **ANTI-SLIP & SAFETY**
- ▶ **OCCASIONAL SAFETY**
- ▶ **OUTDOOR SAFETY**

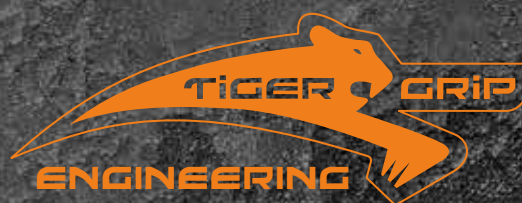

After several years of R&D, the commercialization of our first product starts in **2012**.

We are now **EUROPEAN LEADER** with a network of distributors and partners in more than **40 countries**.

If the quality and robustness of our products remain our priority, our ambition is to continue our development by investing in product innovation.

TIGER GRIP overshoes are a true **CONCENTRATE OF TECHNOLOGY** at the service of the users safety.
